

26 APR 1974

Dear Bill,

On 20 February you sent me a report entitled "Soviet Economic and Technological Benefits from Detente". Admiral Zumwalt reviewed the report and found it most enlightening. He asked me to inquire whether your action officer (Mr. [redacted] of OER) could brief the CNO Executive Panel on the contents of this report.

The CNO Executive Panel is an advisory board composed of prominent members of the academic, scientific, and business communities who meet periodically to consider subjects of interest to Admiral Zumwalt and to provide him their views and advice. A roster of the current membership is attached.

The Executive Panel is scheduled to meet on 15 and 16 May in room 4D710, the Pentagon. Captain Bill Cockell, the Executive Director, has tentatively scheduled [redacted] presentation for 1400 on 16 May. I anticipate that the format would include thirty minutes of informal remarks by [redacted] followed by another thirty minutes of round-table discussion.

I hope [redacted] will be able to meet with the Panel. All the members possess TOP SECRET and other compartmented clearances, so security should pose no problem. If there is any other information we can provide you, please do not

hesitate to have a member of your staff contact either Captain Cockell or Commander Tom Fooks of Admiral Zumwalt's staff. They can be reached on OX4-3165 or OX4-3225.

Sincerely, 

E. A. RECTANUS
